Heather Brown

Future Fair NYC May 1 - 4, 2024

My drawings confront the impossibility of intimacy. Made with pen and ink, they are quick, mostly figurative, dedicated to gesture and line, unabashed in their narrative melodrama. They draw the viewer into luridly fantastical psychological spaces where displays of vulnerability are raw, disorienting, and ultimately unanswerable.

Heather Brown's solo exhibitions include *Psychic Forms*; *Five Car Garage*, Santa Monica, *Ruins*; *Carter & Citizen*, Los Angeles, *Thank You For Your Childhood*; *Parker Jones*, Los Angeles, *Drawings*; *Parker Jones*, Los Angeles, and *Heather Brown: New Paintings*; *Black Dragon Society*, Los Angeles. Her work has been seen in group exhibitions at several other Los Angeles venues including *Weekend*, *Five Thirty Three*, *Black Dragon Society*, *Honor Fraser Gallery*, and *Angles Gallery*. She received an MFA from UCLA and a BA from UCSB. She lives and works in Los Angeles.
